It is undisputed that **(a)** at all times material hereto SAIE was not licensed to practice and/or offer to practice engineering in Louisiana, **(b)** in 2011 SAIE practiced and/or offered to practice engineering and used the word "engineering" in its name and in conjunction with its business in Louisiana without proper licensure and **(c)** Respondent aided or assisted SAIE in violating the laws and/or rules of the Board.

By letter dated October 11, 2012, the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that he may have violated La. R.S. 37:698(A)(12), relative to the aiding or assisting of another person in violating the laws and/or rules of the Board.

Wishing to dispense with the need for further disciplinary action and to conclude the instant proceeding without further delay and expense, for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of his own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to **(a)** pay a fine of one hundred (\$100.00) dollars; **(b)** pay administrative costs of two hundred fifty one and 62/100 (\$251.62) dollars; and **(c)** the publication of this Consent Order on the Board's website and a summary of this matter in the Board's official journal, the Louisiana Engineer and Surveyor Journal, and the reporting of this matter to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name.

Respondent admits to violations of the referenced laws and/or rules regarding the aiding or assisting of another person in violating the laws and/or rules of the Board. Respondent acknowledges awareness of said laws and/or rules and states that he will comply with all applicable laws and rules henceforth. Respondent has been advised of his right to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and present witnesses and evidence in his own behalf, and he hereby waives this right and his right to appeal; and he states affirmatively that he has been afforded all administrative remedies due him under the law. Respondent further acknowledges awareness of the fact that the signed original of this Consent Order will remain in the custody of the Board as a public record and will be made available for public inspection and copying upon request.

Therefore, in consideration of the foregoing and by signing this Consent Order, Respondent does hereby waive his right to a hearing before the Board, to the presenting of evidence and witnesses in his behalf, to Findings of Fact and Conclusions of Law in this case, and to judicial review of this Consent Order.

Respondent hereby represents **(a)** that he fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, **(b)** that he has voluntarily entered into this Consent Order and that no other promise or agreement of any kind has been made to or with him by any person whatsoever to cause the execution of this instrument and **(c)** that the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana Professional Engineering and Land Surveying Board and Respondent agree that:

1. Respondent shall pay a fine of one hundred (\$100.00) dollars, which shall be tendered to the Board by certified check payable to the Board, due upon the signing of this Consent Order; and

2. Respondent shall pay administrative costs of two hundred fifty one and 62/100 (\$251.62) dollars, which shall be tendered to the Board by certified check payable to the Board, due upon the signing of this Consent Order; and

3. This Consent Order shall be published on the Board's website and a summary of this matter shall be printed in the official journal of the Board, the Louisiana Engineer and Surveyor Journal, and reported to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name; and

4. This Consent Order shall not become effective unless and until it is accepted and signed by and on behalf of the Board. Should the Board not accept and sign this Consent Order, it is agreed that presentation of this matter to the Board shall not prejudice the Board or any of its members, staff, attorneys or representatives from further participation, consideration or resolution of any further proceedings herein.
