

2010 Continuing Education Professional Engineering Seminar

The University of Louisiana at Lafayette's Continuing Education Professional Engineering Seminar was developed specifically for professional engineers and land surveyors to assist in meeting the biannual PDH (professional development hours) requirement for license renewal by the Louisiana Professional Engineer & Land Surveyors Board (LAPELS).

This seminar is designed to educate and provide participants with sixteen (16) hours of continuing education units (CEU/PDH) to apply towards PDH requirements.

Call UL Lafayette Continuing Education at (337) 482-5712 to register or for more information. Pre-registration is required!
