Department of Transportation and Development Professional Engineering and Land Surveying Board

Public Hearing—Substantive Change to Proposed
Rule—Examinations and Continuing Professional
Development (LAC 46:LXI.707, 1301, and Chapter 31)

The Louisiana Professional Engineering and Land Surveying Board published a Notice of Intent to amend its rules in the February 20, 2016 edition of the *Louisiana Register*. The board now proposes to amend one provision of the proposed rules, specifically §3105, to read as follows.

Title 46

PROFESSIONAL AND OCCUPATIONAL STANDARDS

Part LXI. Professional Engineers and Land Surveyors Chapter 31. Continuing Professional Development (CPD)

§3105. Requirements

A. During each biennial licensure renewal period beginning before January 1, 2017, every professional engineer licensee, including those licensed in two or more disciplines, is required to obtain 30 PDHs in engineering related activities. Effective January 1, 2017 and beginning with professional engineer licensees whose biennial licensure renewal periods begin after January 1, 2017, every professional engineer licensee, including those licensed in two or more disciplines, is required to obtain 15 PDHs per calendar year in engineering related activities. Effective January 1, 2017 and beginning with professional engineer licensees whose biennial licensure renewal periods begin after January 1, 2017, professional engineer licensees may not obtain more than 8 PDHs within a single calendar day.

1. During each biennial licensure renewal period beginning before January 1, 2017, at least one PDH shall be

in professional ethics. Effective January 1, 2017 and beginning with professional engineer licensees whose biennial licensure renewal periods begin after January 1, 2017, at least one PDH per calendar year shall be in professional ethics. Professional ethics concerns the standard of professional conduct and responsibility required of a professional engineer.

2. During each biennial licensure renewal period beginning before January 1, 2017, a minimum of eight PDHs shall be earned in Life Safety Code, building codes and/or Americans with Disabilities Act Accessibility Guidelines by every professional engineer licensee who designs buildings and/or building systems. Effective January 1, 2017 and beginning with professional engineer licensees whose biennial licensure renewal periods begin after January 1, 2017, a minimum of four PDHs per calendar year shall be earned in Life Safety Code, building codes and/or Americans with Disabilities Act Accessibility Guidelines by every professional engineer licensee who designs buildings and/or building systems.

B. During each biennial licensure renewal period beginning before January 1, 2017, every professional land surveyor licensee is required to obtain 15 PDHs in land surveying related activities. Effective January 1, 2017 and beginning with professional land surveyor licensees whose biennial licensure renewal periods begin after January 1, 2017, every professional land surveyor licensee is required to obtain 8 PDHs per calendar year in land surveying related activities.

1. During each biennial licensure renewal period beginning before January 1, 2017, at least one PDH shall be in professional ethics. Effective January 1, 2017 and beginning with professional land surveyor licensees whose biennial licensure renewal periods begin after January 1, 2017, at least one PDH per calendar year shall be in professional ethics. Professional ethics concerns the standard of professional conduct and responsibility required of a professional land surveyor.

2. During each biennial licensure renewal period beginning before January 1, 2017, a minimum of two PDHs shall be earned in the Standards of Practice for Boundary

Surveys in Louisiana. Effective January 1, 2017 and beginning with professional land surveyor licensees whose biennial licensure renewal periods begin after January 1, 2017, a minimum of one PDH per calendar year shall be earned in the Standards of Practice for Boundary Surveys in Louisiana.

C. During each biennial licensure renewal period beginning before January 1, 2017, each dual licensee shall obtain 30 PDHs; however, at least one-third of the PDHs shall be obtained separately for each profession. Effective January 1, 2017 and beginning with dual licensees whose biennial licensure renewal periods begin after January 1, 2017, each dual licensee shall obtain 15 PDHs per calendar year; however, at least one-third of the PDHs for each calendar year shall be obtained separately for each profession.

1. During each biennial licensure renewal period beginning before January 1, 2017, at least one PDH shall be in professional ethics. Effective January 1, 2017 and beginning with dual licensees whose biennial licensure renewal periods begin after January 1, 2017, at least one PDH per calendar year shall be in professional ethics. Professional ethics concerns the standard of professional conduct and responsibility required of a professional engineer and/or professional land surveyor.

2. During each biennial licensure renewal period beginning before January 1, 2017, a minimum of two PDHs shall be earned in the Standards of Practice for Boundary Surveys in Louisiana. Effective January 1, 2017 and beginning with dual licensees whose biennial licensure renewal periods begin after January 1, 2017, a minimum of one PDH per calendar year shall be earned in the Standards of Practice for Boundary Surveys in Louisiana.

3. During each biennial licensure renewal period beginning before January 1, 2017, a minimum of eight PDHs shall be earned in Life Safety Code, building codes and/or Americans with Disabilities Act Accessibility Guidelines by every professional engineer licensee who designs buildings and/or building systems. Effective January 1, 2017 and beginning with dual licensees whose biennial licensure renewal periods begin after January 1, 2017, a minimum of four PDHs per calendar year shall be earned in Life Safety Code, building codes and/or Americans with Disabilities Act Accessibility Guidelines by every professional engineer licensee who designs buildings and/or building systems.

D. Excess PDHs

1. Effective for biennial licensure renewal periods beginning before January 1, 2017, if a licensee exceeds the biennial licensure renewal period requirements, a maximum of 15 PDHs may be carried forward into the subsequent biennial licensure renewal period. Effective January 1, 2017 and beginning with licensees whose biennial licensure renewal periods begin after January 1, 2017, if a licensee exceeds the annual requirements, a maximum of 7 PDHs may be carried forward into the subsequent calendar year.
