**FINAL FINDINGS OF FACT AND CONCLUSIONS OF LAW**

This matter came on for hearing in Baton Rouge, Louisiana on January 12, 2009 at 10:36 a.m. No one appeared at the hearing on behalf of Edward C. Haight, P.E., and the hearing proceeded as authorized by La. R.S. 37:698(G). After hearing the arguments of counsel and upon due consideration of the testimony and other evidence presented, the Louisiana Professional Engineering and Land Surveying Board ("LAPELS") makes the Final Proposed Findings of Fact and Conclusions of Law.

**FINAL FINDINGS OF FACT**

1.

Edward C. Haight, P.E. has been licensed with LAPELS as a professional engineer, number PE-16592, since 1977.

2.

On March 5, 2007, Mr. Haight submitted to LAPELS his Louisiana professional engineer license renewal form, confirming thereon that (a) he had met LAPELS' requirements for continuing professional development ("CPD") for the renewal period of April 1, 2005 to March 31, 2007, (b) if selected for a CPD audit by LAPELS he would be required to submit documentation to validate completion of all CPD requirements and (c) failure to comply with such CPD requirements or false statements made by him could be cause for disciplinary action by LAPELS. See LAPELS' Exhibit 1.

3.

LAPELS staff subsequently selected Mr. Haight for a random audit of his CPD records for the renewal period of April 1, 2005 to March 31, 2007. See LAPELS' Exhibit 2.

4.

On or about August 3, 2007, LAPELS staff sent a letter to Mr. Haight notifying him of his selection for a random audit of his CPD records for the renewal period of April 1, 2005 to March 31, 2007 and instructing him to provide LAPELS with his completed Professional Development Activity Log and all supporting documentation within thirty (30) days. Mr. Haight failed to respond to this letter. See LAPELS' Exhibit 3.

5.

On October 24, 2007, LAPELS staff sent a letter to Mr. Haight by certified mail, return receipt requested, notifying him that he had been deemed not in compliance with LAPELS' CPD requirements (due to his failure to submit the requisite documentation in response to the August 3, 2007 audit notice) and giving him one hundred twenty (120) days to provide proof of compliance, along with payment of a \$200 administrative fee. The letter was never returned and Mr. Haight failed to respond. See LAPELS' Exhibit 4.

6.

On or before November 27, 2007, Mr. Haight submitted documentation indicating that he had earned some of the required number of CPD hours; however, he did not submit his completed Professional Development Activity Log or documentation that he had earned the required one (1) hour in professional ethics. See LAPELS' Exhibit 5.

7.

On March 28, 2008, LAPELS staff sent a letter to Mr. Haight by certified mail, return receipt requested, notifying him that the documentation he submitted on November 27, 2007 was inadequate because he failed to submit his completed Professional Development Activity Log or documentation that he had earned the required one (1) hour in professional ethics. Mr. Haight was given until May 5, 2008 to submit the required documentation and pay the \$200 administrative fee. The letter was subsequently received at Mr. Haight's address; however, he once again failed to respond. See LAPELS' Exhibit 6.

8.

On June 17, 2008, LAPELS staff sent a letter to Mr. Haight by certified mail (return receipt requested) and regular mail, advising him that LAPELS was considering preferring charges against him involving possible violations of (a) La. R.S. 37:698(A)(1), relative to the making of a false statement in applying for a renewal license, and (b) La. R.S. 37:698(A)(6), *to wit* LAC Title 46:LXI§3117 and 3119, relative to the failure to comply with LAPELS' CPD requirements. The letter also included a proposed Consent Order and advised Mr. Haight of his right to request an informal conference. The letter and proposed Consent Order were received at Mr. Haight's address on June 19, 2008; however, he again failed to respond. See LAPELS' Exhibit 7.

9.

Mr. Haight never requested an informal conference and did not accept the proposed Consent Order.

10.

On November 17, 2008, by a unanimous vote LAPELS preferred charges against Mr. Haight for an alleged violations of La. R.S. 37:698(A)(1) (the making of a false statement in applying for a renewal license) and La. R.S. 37:698(A)(6), *to wit* LAC Title 46:LXI§3117 and 3119 (failure to comply with LAPELS' CPD requirements). LAPELS also directed that a hearing be set to consider the charges against Mr. Haight on January 12, 2009 at 10:30 a.m. at the LAPELS office. A copy of the Notice of Charges and Hearing was sent to Mr. Haight by certified mail (return receipt requested) on December 8, 2008. The letter and Notice of Charges and Hearing were received at Mr. Haight's address on December 12, 2008. See LAPELS' Exhibit 8.

11.

The actual costs incurred by LAPELS in connection with this case through January 9, 2009 (which is prior to the date of the hearing) amounted to \$1,197.31. See LAPELS' Exhibits 9 and 10.

**FINAL CONCLUSIONS OF LAW**

1.

LAPELS has jurisdiction over this matter because Mr. Haight is licensed by LAPELS as a professional engineer and he renewed his license in 2007.

2.

La. R.S. 37:698(A)(1) and (6) have at all relevant times provided as follows:

**§698. Disciplinary proceedings against licensees and certificate holders; procedure**

A. The board shall have the power to take disciplinary action against any licensee or certificate holder found by the board to be guilty of any of the following acts or offenses:

. . .

(1) Any fraud, deceit, material misstatement, or perjury or the giving of any false or forged evidence in applying for a license or certificate, or in taking any examination, or in applying for any renewal license or certificate provided for in this Chapter.

. . .

(6) Violation of any provision of this Chapter or any rules or regulations adopted and promulgated by the board.

. . .

3.

LAC Title 46:LXI§3105, 3117 and 3119 have at all relevant times provided, in pertinent part, as follows:

**§3105. Requirements**

A. During each biennial licensure renewal period, every professional engineer licensee, including those licensed in two or more disciplines, is required to obtain 30 PDHs in engineering related activities.

1. At least one PDH shall be in professional ethics. Professional ethics concerns the standard of professional conduct and responsibility required of a professional engineer.

. . .

**§3117. Audit and Review of Records**

A. The board may request, at any time, that a licensee provide proof of compliance with all CPD requirements.

B. Additionally, the board will conduct random audits of biennial renewals of up to 30 percent of all board licensees.

D. Should the licensee fail to provide proof of compliance, or if discrepancies or deficiencies are discovered as the result of any of the reviews provided for in §3117.A-C, the licensee will be deemed not in compliance.

**§3119. Failure to Comply**

A. When a licensee is deemed not in compliance with the CPD requirements of the board, the licensee will be so notified and will be given 120 days to satisfy the board requirements. The licensee must provide documented evidence of compliance accompanied by payment of an administrative fee of \$200. Failure to comply will subject the licensee to disciplinary action as provided in the licensure law.

4.

Louisiana law gives LAPELS authority to take disciplinary action against Mr. Haight based on the facts in this case.

5.

Pursuant to La. R.S. 37:698(A), (B) and (J), the disciplinary action which LAPELS can take against any person found by LAPELS to be guilty of any of the acts or offenses listed in La. R.S. 37:698(A) includes, but is not limited to, reprimand, probation, suspension, revocation, fine (in an amount not to exceed \$5,000 per violation) and all reasonable costs.

6.

Since Mr. Haight made a false statement in applying for his renewal license, failed to submit proof of CPD compliance in response to the audit of his CPD records and failed to pay the administrative fee, he violated La. R.S. 37:698(A)(1) and 37:698(A)(6), *to wit* LAC Title 46:LXI§3117 and 3119.

7.

A Final Decision and Order will issue this date assessing appropriate disciplinary action against Mr. Haight.

Baton Rouge, Louisiana, this 13th day of May, 2009.
