IN THE MATTER OF:) CASE NO. 2015-33
JON E. KHACHATURIAN)
RESPONDENT)
_____)

CONSENT ORDER

The Louisiana Professional Engineering and Land Surveying Board [hereinafter the “Board”], by and through its Executive Director, pursuant to authorization by the Board, and Jon E. Khachaturian [hereinafter “Respondent”] hereby agree to the following:

At all times material hereto, Respondent was licensed in the State of Louisiana as a professional engineer, number PE-19867; however, his license has been in an expired status since April 1, 2001. At all times material hereto, Versabar, Inc. was licensed in the State of Louisiana as a professional engineering firm, number EF-1183; however, its license was in an expired status from April 1, 1997 through July 16, 2015. At all times material hereto, Respondent was an employee, owner and the President of Versabar, Inc. Respondent was the supervising professional of Versabar, Inc. from March 15, 1985 to March 31, 2001.

An investigation was opened based upon the Board’s receipt of information and documents which suggested that Versabar, Inc. may have practiced and/or offered to practice engineering in Louisiana during which time its license was expired. The investigation disclosed that (a) since at least January 2012 Versabar, Inc. has represented on its website that (i) it provides “engineering” services, (ii) its slogan is, “The Power of Engineering Delivered”, (iii) it has “engineers” and “engineering and design capabilities” and (iv) it has an office in Belle Chasse, Louisiana; (b) between January 2012 and July 16, 2015 Versabar, Inc. admittedly offered to provide engineering services in Louisiana and provided engineering services on approximately seven (7) projects in Louisiana; (c) since at least January 2012 Versabar, Inc. has maintained an office and employed individuals in Belle Chasse, Louisiana; and (d) Versabar, Inc. is a Louisiana corporation with its domicile address listed in Belle Chasse, Louisiana.

La. R.S. 37:698(A)(9) and (16) prohibit licensees from practicing and/or offering to practice engineering with an expired license. La. R.S. 37:698(A)(12) prohibits licensees from aiding or assisting another person in violating the laws and/or rules of the Board. La. R.S. 37:698(H) permits the Board to take disciplinary action against persons who violate La. R.S. 37:698(A)(12), upon a finding of guilt following the preferral of charges, notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:698(A)(9), (12) and (16) and La. R.S. 37:698(H) were in effect at all times material hereto.

It is undisputed that **(a)** Versabar, Inc.'s license to practice and/or offer to practice engineering in Louisiana was in an expired status from April 1, 1997 through July 16, 2015, **(b)** during this period Versabar, Inc. practiced and offered to practice engineering in Louisiana and **(c)** Respondent aided or assisted Versabar, Inc. in violating the laws and/or rules of the Board.

By letter dated March 20, 2017, the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that Respondent may have violated La. R.S. 37:698(A)(12), relative to the aiding or assisting of another person in violating the laws and/or rules of the Board.

Wishing to dispense with the need for further disciplinary action and to conclude the instant proceeding without further delay and expense, for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of his own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to **(a)** pay a fine of five hundred and no/100 (\$500.00) dollars, **(b)** pay administrative costs of one thousand fifty-nine and 38/100 (\$1,059.38) dollars, and **(c)** the publication of this Consent Order on the Board's website and a summary of this matter in the Board's official journal, the *Louisiana Engineer and Surveyor Journal*, and the reporting of this matter to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name.

Respondent admits that his conduct as set forth above constitutes violations of the above referenced laws and/or rules as stated herein. Respondent acknowledges awareness of said laws and/or rules and states that he will comply with all applicable laws and rules henceforth. Respondent has been advised of his right to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and present witnesses and evidence in his own

behalf, he hereby waives this right and his right to appeal, and he states affirmatively that he has been afforded all administrative remedies due him under the law. Respondent further acknowledges awareness of the fact that the signed original of this Consent Order will remain in the custody of the Board as a public record and will be made available for public inspection and copying upon request.

Therefore, in consideration of the foregoing and by signing this Consent Order, Respondent does hereby waive his right to a hearing before the Board, to the presenting of evidence and witnesses on its behalf, to Findings of Fact and Conclusions of Law in this case, and to judicial review of this Consent Order.

Respondent hereby represents that (a) he fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, (b) he has voluntarily entered into this Consent Order and that no other promise or agreement of any kind has been made to or with him by any person whatsoever to cause the execution of this instrument and (c) the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana Professional Engineering and Land Surveying Board and Respondent agree that:

1. Respondent shall pay a fine of five hundred and no/100 (\$500.00) dollars, which shall be tendered to the Board by certified check payable to the Board, due upon the signing of this Consent Order; and

2. Respondent shall pay administrative costs of one thousand fifty-nine and 38/100 (\$1,059.38) dollars, which shall be tendered to the Board by certified check payable to the Board, due upon the signing of this Consent Order; and

3. This Consent Order shall be published on the Board's website and a summary of this matter shall be printed in the official journal of the Board, the *Louisiana Engineer and Surveyor Journal*, and reported to the National Council of Examiners for Engineering and Surveying (NCEES), identifying Respondent by name; and

4. This Consent Order shall not become effective unless and until it is accepted and signed by and on behalf of the Board. Should the Board not accept and sign this Consent Order,

it is agreed that presentation of this matter to the Board shall not prejudice the Board or any of its members, staff, attorneys or representatives from further participation, consideration, or resolution of any further proceedings herein.
