## **Section 1 – Personal Information**

- Open the appropriate application and complete all fields, entering your full legal name and social security number.

*Louisiana Revised Statute 37:23 requires that every application by an individual for a professional license, permit or certificate shall require the applicant’s social security number. Disclosure of your social security number is mandatory for this purpose and for purposes of establishing, modifying or enforcing family and child support obligations and locating an individual who is under an obligation to pay family or child support under La. R.S. 46:236.1.1, et seq. Failure to provide your social security number for these mandatory purposes will result in the denial of your licensure, permit or certificate application. Disclosure of your social security number is voluntary for disclosure to other state regulatory agencies, testing and examination vendors, law enforcement agencies, and other private federations and associations involved in professional regulation. Such disclosure is for identification purposes only. Your social security number will not be released for any other purpose not provided by law.*

- Enter dates using this format: MM/DD/YYYY
- Do not leave any section blank. State ‘N/A’ where applicable
- Provide a phone number and email address where you can be reached during the day.

**Section 2 – Education** – indicate **ALL** colleges/universities attended where a degree was conferred or is in progress, or where you have completed surveying coursework.

- **Transcript Request form** – after completing the appropriate fields, print this form and send one to each college/university you attended. Transcripts must be submitted directly to LAPELS by the college/university per LAPELS rule 1701 (C), “Applicants who have attended college shall have certified transcripts of all college work forwarded by the registrar of each college directly to the office of the board.” ***Transcripts which have been issued to the applicant in an envelope sealed by the university will be rejected by LAPELS.***
- **The Board requires that all applicants with a foreign (non-US) non-ABET degree must obtain a credential evaluation prior to applying to LAPELS. See box below for approved evaluation service centers. Evaluations from providers other than those listed below are not acceptable. If you are applying to take an examination, applications and evaluations must be received by the December 1 or June 1 deadline.**

**Section 3 – Examination and Licensure/Certification in Louisiana and Other Jurisdictions** - Provide Surveying Intern information, and FS exam information, and answer questions regarding residence & multiple exam attempts.

- **Verification of Licensure/Certification/Examination** – from state licensing boards where you were FIRST certified.

Click on the Verification of Licensure link then select the board you are making application to, *i.e.* LAPELS, next select the state board that you are currently certified in, (or where you took the exam), *i.e.* Alabama. If the state is **not** listed, please contact that state's licensing board to request verification. If the state **is** listed select it and enter your personal information. Click on continue, then confirm your information and click finished. Your verification request form will be submitted electronically to the state licensing board(s). Some states require a fee for providing verifications. It is your responsibility to contact the licensing board(s) to determine whether fees are required. If you were certified in Louisiana, do not send this form. Indicate this information on your application and it will be verified by LAPELS.

**Section 4 – Personal References** – list those individuals you have asked to provide personal references.

- **Personal Reference Forms** – after completing the appropriate fields, print five (5) forms and send a **form and instructions to personal references** to those you have selected to provide a personal reference for you. Personal Reference forms should be returned to you in a signed/sealed envelope and included with your application for submittal to LAPELS. These forms are confidential and should not be opened by the applicant.
- Applications for licensure as a professional engineer or professional land surveyor shall be completed on the most current forms developed by the board. The application shall contain statements showing the applicant's qualifications, and the names and addresses of five personal references. ***None of the five personal references can be an immediate family member or business associate of the applicant. For purposes of this §1701.B, immediate family member is defined as a spouse, child, spouse of a child, sibling, spouse of a sibling, sibling of a spouse, parent, parent of a spouse, stepparent or stepchild. For purposes of this §1701.B, business associate is defined as a subordinate of the applicant, or a consultant or contractor who provides goods or services to the applicant or to a business, entity or agency in which the applicant is an owner, member, officer, director, trustee, partner, principal, manager, employee, associate, consultant or contractor. Three or more of the five personal references furnished by an applicant for licensure as a professional engineer shall be professional engineers holding valid licenses to engage in the practice of engineering issued to them by proper authority of a state, territory, or possession of the United States, or the District of Columbia. Three or more of the five personal references furnished by an applicant for licensure as a professional land surveyor shall be professional land surveyors holding valid licenses to engage in the practice of land surveying issued to them by proper authority of a state, territory, or possession of the United States, or the District of Columbia....***
